PEER SUPPORT

Our Association has been built on the concept of peer support. This is our foundation, and we achieve this through our social community group, our website and local meet-ups.

PROFESSIONAL DEVELOPMENT

Our Association offers valuable shared knowledge for our members. Offering webinars and seminars on topics that are relevant and essential to professional growth and development.

ADVOCACY

An Association such as ours, increases awareness of our profession, enabling us to positively influence the public perception of Doulas. Implement collaborations, partnerships and advocacy efforts. By improving relationships, working alongside health care workers, and strengthening our role as an essential part of the Maternity care team.
